Dear Sean,

Please see below a detailed step by step guide regarding the entry clearance process and the necessary documentation that will be required in support of your application. The information below is very important; however, please do not be alarmed by its length. If any of the steps below are not clear, please contact Fragomen at any time.

Please note that you will not be able to travel to the UK to undertake your UK internship until such time as your entry clearance application has been approved and your passport and original supporting documentation have been returned to you.

Any delay in providing the documentation requested below may result in a delay to your UK start date. Please be aware that the British Diplomatic Posts are extremely strict in relation to the original documentation provided in support of your application. **If you feel that you will not be able to provide any of the below requested documentation in their original form you should contact us immediately.**

Your entry clearance application will be submitted to a British Diplomatic Post in your country of origin or legal residence. I understand that you are currently residing in El Cerrito, USA.

The process

Step 1: Documentation

Please ensure you have available in **original form** the following documentation:

1. Your original signed application form. We have completed this on your behalf and attached it for printing. Please ensure you read, sign and date the declaration page before you submit your application (see below under step 2). Please ensure you print every page of the form including any barcodes you see;
2. Your original current and expired passports;
3. Evidence of your lawful residence in the US;
4. Biometric confirmation, stamped by the VAC (see below under Step 3);
5. Your original signed Appendix 6 Form. This has been completed on your behalf and is attached. Please print, sign and date page 3;
6. 2 passport sized photographs of you with your name written on the back of each photograph. (please note that the photographs should be clear and of good quality, they should be 35mm x 45mm in size, identical, no more than 1 month old, against a light background; and of full face);

Please note: photographs which do not meet these specifications will not be accepted.

7. Confirmation that your Certificate of Sponsorship has been assigned. This includes evidence of satisfaction of the maintenance requirement. Please find attached a copy of the confirmation;
8. A printout of your Points Based Calculator. Please see attached your Points Based Calculator completed on your behalf; and
9. Priority Processing confirmation (**This must be the 1st document in your bundle upon submission**)

***Please submit the original documents with photocopies. If you submit the original documents without photocopies, the original copies may not be returned to you.

Translation Services

If any of your documents are not in English, they must be accompanied by a fully certified translation by a professional translator. Fragomen can assist and will only require a copy of the document to obtain the translation. Please let Fragomen know if you think any documents will need translation and we will revert to your Divisional Recruiter for costs approval.

Step 2: Application form

We have completed an Application Form (VAF 9) and paid the visa fee on your behalf and attach a copy of the form. You will need to print the form and sign it. The form will need to be included in your Entry Clearance pack.

Step 3: Your Biometrics Appointment booked

When you have completed the steps above, you will need to submit your biometric data at the USCIS ASC Oakland Application Support Center. Submitting your biometric is a short appointment where you will be required to provide a finger and iris scan and have a digital photo taken. You must take your original passport with you to your biometric appointment, along with your original signed online application form and biometric appointment confirmation.

The appointment details are as follows:

Day and time: **Thursday 5 June 2014 at 14:00 pm**

Visa Application Centre: USCIS ASC San Francisco Application Support Center
250 Broadway
San Francisco
CA
94111-1506

Step 4: Physical submission of the application

Once you have provided your biometric information, the VAC will stamp your VAC appointment verification to confirm your attendance. You will need to include this with your application pack. Following the biometric appointment, you have 14 days in which to submit your documentation in support of your application.

Fragomen have prepared your Entry Clearance bundle including the documentation listed above, which must be submitted in original format, to the British Consulate-General in New York to support your entry clearance application. You will need to print the Entry Clearance pack we have provided, arrange the documentation in order and attach your passport photograph. You should provide a photocopy of any original documentation provided. This must be submitted only by registered courier or post. As above your priority processing confirmation must be the first document in your bundle.

Step 5 - Submitting by registered courier

A number of courier companies are registered with the UK Border Agency at the British Consulate-General in New York. A list of registered couriers can be found by following these instructions:

- Go to: <https://www.visainfoservices.com>
- Select destination country (UK)
- Select origin country (USA)
- Select right hand link 'How to I apply?'
- Scroll down the page to Step Two 'Independent visa services and agents' and click on the weblink provided.

A1 Passport and Visa Services would be one option:

A1 Passport and Visa Services. Tel: 1-212-810-4309, please ask to speak with Ravi Kumar who will be able to assist you.

Kindly note that submitting your application by courier is a much speedier option than by post. As such, this option is highly advisable.

Step 6 - Priority Service

The British Consulates in the US operate a Priority Service that facilitates the issuance of a visa within approximately 2-5 working days. We have paid for this and the confirmation is attached. Please include the confirmation in your application pack as the first document in the bundle.

Please note that if you do not submit your application within 14 days, you will be required to commence the process again and re-attend the VAC to provide further biometric information.

Please kindly advise us of the date of submission of your Entry Clearance application.

Timing and return of documents

The British Consulate General should complete their consideration of the application within approximately 2-5 working days of submitting the documents to the Consulate and return the passports and supporting documents to you at the contact address provided in your application form. Once you have your original passport containing your visa in hand, please contact Fragomen immediately and advise them of the outcome of the application and provide a copy of your visa stamp.

Possibility of Interview

The UK Border Agency may, in certain circumstances, request that you attend an interview in connection with your application. If they do, you will be notified accordingly and provided with a date and time for the interview. If it is not possible for you to attend the interview in person, you may be requested to have a telephone interview with them.

Interviews are not a common occurrence, but are at the complete discretion of the Entry Clearance Officer. It will not be possible to determine if you will be subjected to an interview in connection with your application.

Possibility of Medical Examination.

The British authorities may also request that you attend a medical examination in connection with your application. Again this is not a regular occurrence and these checks are requested at random. There and there is no way of knowing when and if a medical examination would be required.

If requested, such a check is required purely for reasons of public health. No specific nationalities are identified as being subject to mandatory medical examinations, however, it should be noted that nationals of countries that have been identified as having a high incidence of tuberculosis (TB) are more than likely to be subjected to such a check.

Activating your UK Entry Clearance Endorsement

FRAGOMEN

Upon entry to the UK, you should provide your original passport containing your entry clearance endorsement to the Immigration Officer, who will endorse your passport with your date of entry to the UK.

Using the contact details below please email a copy of the endorsement you receive from the Immigration Officer to Fragomen. It is crucial that we receive this stamp in a timely manner so that we can confirm that you have been admitted to the UK in the correct capacity and can legally take up employment. Please note that a delay or failure to forward this stamp to our office may affect your UK start date.

Should you have any queries regarding any of the information above, please do not hesitate to contact the Tier 5 dropbox, tier5internship@fragomen.com, who will be happy to assist further.

Kind Regards,

Fragomen LLP

I understand that the Home Office will be responsible for transferring my application and supporting documents safely. I understand in these circumstances my application will still be handled in line with Home Office published customer service standards.

I understand that the fee payable is for an application processing and entry clearance decision-making service, not for the guaranteed delivery of a visa, therefore I will not be entitled to a refund should my application for entry to the UK or Commonwealth and Overseas Territories be refused or granted for a shorter time period than I applied for. I also understand that my visa application fee will be refunded only if the application is withdrawn in writing within 3 months and 7 days of the original date of application and prior to the submission of biometric data or any processing taking place.

I am aware that if there is any information I do not want you to disclose to them I will tell you by enclosing a letter with my supporting documentation. If such requests prevent you from making legitimate inquiries, my application may be refused.

I am also aware that my application will be automatically refused and I may be banned from going to the UK for 10 years if I use a false document, lie or withhold relevant information. I may also be banned if I have breached immigration laws in the UK. I am further aware that should I use a false document, lie or withhold relevant information my details may be passed to law enforcement agencies.

I understand that I may be required to provide a record of my fingerprints and a photograph of my face ("biometric data") as part of my application. If I refuse to do so, my application may be treated as invalid and, if so, will not be considered further. (See Statutory Instrument 2006 No 1743 - The Immigration (Provision of Physical Data) Regulations 2006, Regulation 7(1)).

I am aware that I may be billed for any NHS medical treatment undertaken in the UK and that I do not have recourse to public funds during my stay in the UK.

I understand that if I fail to pay NHS debts incurred by me this could adversely affect future entry clearance applications I make.

I understand that my details may, in certain circumstances, be passed to fraud prevention agencies to prevent and detect fraud and money laundering. I also understand that such agencies may provide the Home Office with information about me. Further details explaining when information may be passed to or from fraud prevention agencies and how that information may be used can be obtained from the Home Office website.

I am aware that it is an offence under the Immigration Act 1971 (as amended) to make a statement which I know to be false, or not believe to be true, in order to obtain a visa/entry clearance to the UK.
